It happened 100 YEARS ag

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . the same year that

IN VIRGINIA, General Robert E. Lee defended his capital city of Richmond against the invading "biuecoats." Virginians toasted their gallant General with foaming steins of beer.

For then, as now, beer was the traditional beverage of moderation. But beer means more than enjoyment to our state. The Brewing Industry contributes more than 8 million tax dollars to Virginia yearly—money that helps support our hospitals, schools, and parks.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

...Little Falling River Watershed ...is comprised of approximately 31,...000 acres in Appomattox and Campbell Counties, with a small acreage in Charlotte County.

It is expected that a period of 5 to 6 months will be required for the completion of the survey, according to John L. Harrison, local soil conservationist.

Harrison pointed out that the development of this watershed area will be of great benefit to the farmers in the area. Besides improving the agricultural lands on the hills, it is anticipated that certain flood control measures will be installed, thus reducing the hazards of flooding on the bottom lands.

This project is being sponsored by the Robert E. Lee Soil Conservation District Board of Supervisors, Appomattox County Board of Supervisors and Campbell County Board of Supervisors, as a part of the flood control program authorized under Public Law 566.

PAT THOMAS ATTENDS HOMEMAKERS MEETING

Pat Thomas, State Vice-President, Virginia Association Future Homemakers of America, recently attended the third executive council meeting, held at Thomas Jefferson Inn, Charlottesville, Va. Mrs. Madeline Thomas, Pat's advisor, accompanied her.

The main business on the agenda was planning for the seventeenth annual State F. H. A. Convention, to be held at Old Point Comfort on June 11-14, 1962.

Pat will report on her state project "Problems of Youth Marriages." In working on her state project, Pat has prepared, distributed and tailed the results of a questionnaire on 'Youth Marriages.' The most important discovery from the question-aire, of which 186 Campbell - Appomattox Federation F. H. A. girls participated in, was that the majority of the teenage girls polled are opposed to early marriage. It seemed also, that most teenagers aren't mature enough for the correct concept of marriage. To climax the study of this questionnaire, Pat, with the assistance of the following panel: Mrs. Travis Cardwell, of Concord; Rev. O. D. Moore, pastor of Liberty Baptist Church; Mrs. Carole Burks, former Appomattox F. H. A. member, and Joel Carrefix, chapter F. F. A. president, brought a summary of the questionnaire to the Campbell - Appomattox Spring Rally on April 5, 1962, with the Appomattox High School as host.

While in Charlottsville, Pat was the guest speaker for the annual Parent - Daughter Banquet at Albermarle High School.

DISTRICT III HD CLUBS ANNUAL MEETING HELD

Mrs. M. B. Tillotson, Lynchburg, was elected President of District III Federation of Home Demonstration Clubs at the annual meeting held here Thursday, April 12th, at the Elementary School. Mrs. Floyd Price, of Farmville, was elected secretary. Over 300 delegates were in attendance at the meeting.

Dr. John W. Carlton, a native of Texas, and a professor at Duke School of Divinity, was the keynote speaker. His subject was "Today's Home in a Changing World". Dr. Carlton spoke of the "enduring values in today's world that must begin in the home. The home must be a citadel of respect and esteem in which ideals are created and nurtured, in order to keep religious imperatives in a world of change. Secondly, the home must be a place of enriching fellowship, a quiet harbor and spiritual heaven. Parents hold the key to build with enthusiasm the moral integrity and noble ends of life. Only where such values are nurtured in today's homes, will we be able to build a structure of life which will not fail."

Mrs. S. S. Gilbert, State Vice-President, gave the Federation message. Mrs. Addison Moore, Pittsylvania County, led the devotions. Presentation of "Pennies for Friendship" was made by Mrs. E. E. Alexander, Campbell County. Having attended a meeting of the Associated County Women of the World in Edinburg, Scotland, Mrs. Alexander told the group how this worthwhile project help to promote international understanding. Club members in the eight counties gave one hundred and seventy-seven dollars to this project.

Mrs. W. S. Reeves, Sutherlin, Virginia, out-going president, presided in the program and business session. It was announced the National HD Meeting would be Aug. 12-15 in Lexington, Ky. Plans are for a "chartered bus for delegates from the Lynchburg area.

Halifax County extended an invitation for the 1963 District meeting.

The program was concluded with a tour of the Appomattox Surrender Grounds.
